

I move that RAA send a letter to the Mayor's Office, City Council, the Community and Economic Department, and Historic Preservation Office requesting that:

the City re-engage in discussions with Aspirant and it's representatives for a GPLLET on the Circles/Stewart development stating that

RAA supports the GPLLET for the development given the following criteria as evidenced in the attached letter dated October 28, 2016.

Additionally, the funds referred to in said letter shall be deposited with Arizona Community Foundation and dispersed at the direction of the City of Phoenix Historic Preservation Office with approval from the City of Phoenix Historic Preservation Commission with a minimum of \$25,000 per year to be spent within the Roosevelt Action Association boundaries.

allocated.

Further, we request that the City of Phoenix Community and Economic Department adopt the forthcoming policy regarding GPLLETs and historic properties as outlined in the DVC (Downtown Voices Coalition) position paper.
